May 7, 2018

To the Parents of [REDACTED]

*Did you know that
missing just 2 days a month
(18 days a year)
can drastically affect a student's academic success?
~Attendance Works*

We are concerned regarding [REDACTED] attendance. School has been in session for 149 days and

[REDACTED] has missed a total of 25.5 days, or 17%. The school considers this to be excessive.

(13 of these days were medically excused.)

We would like to work with you to have your student finish strong with attendance. Please be aware that the

Michigan School Law states that it is the responsibility of parents to see that their children between the ages of six and sixteen be in regular attendance at school. Please contact me or Mrs. Mathis if we can help support in anyway. Otherwise, it is our expectation that [REDACTED] will maintain regular school attendance following your receipt of this letter.

Sincerely,

Karen Wegner
Assistant Principal
